Holly,
This picture was taken as you were leaving for your first day of kindergarten and that first step of independcence. To borrow from your favorite author at that time, Dr. Seuss, "Congratulations! Today is your day. You're off to Great Places! You're off and away!" We love you and will always be here for you.

IN A NUTSHELL...

The time has finally come to draw this school year to a close. In a nutshell, it was another wild and crazy year at Maryville College. Thanks to everyone who submitted pictures and helped along the way. It was much appreciated. Please keep submitting pictures to the yearbook- we need them!

Ralph- Thanks for putting up with me all year. I really appreciate the work you put in.

Peter- Thanks for the hard work taking pictures.

Stephanie- You did an amazing job with the special events section and the cover. Thanks for being there when I needed you, even after you thought you were done.

Karen- Great job with the opening pages. Thanks for helping out when we needed you.

Charlene- Our only freshman (other than Peter)- thanks for coming back week after week (and not running away) and keeping me on my toes.

Jennifer- Thanks for the work you put in over the summer. The faculty section wouldn't be done if it weren't for you.

Chris- Thanks for keeping me from being too serious and stressed out by all the work.

Michelle- Thanks for giving me the opportunity to be an editor. I hope it only gets better from here on out.

And too all of my friends not listed, thanks for everything. I would have transferred long ago if it weren't for you.
